

Buffet and Catering Menu

Whether you're hosting a function at the Saint Andrew's Centre or a party at home, our friendly St Andrew's Café team have you covered!

All of our catering options are freshly prepared in house. We use a range of local produce, such as sausages and ham from Histon's very own Chop Shop, and eggs and potatoes from Alpha Farm in nearby Fenstanton. Buffets will be served cold and can be delivered to your choice of room in the St Andrew's Centre or collected from the Café at a prearranged time.
